

USignIn Board Information

- Created by Microburst Technologies, Inc.
 - <http://www.uburst.com>
 - info@uburst.com
 - (321)639-7377
- \$99/server licensing cost
- CGI /Perl scripting – runs on Apache or IIS Web Servers
- Configurable features (without programming):
 - Refresh Time
 - Table/Header Fonts
 - Page Colors (Rows, Background, etc...)

View the Demo here:

- <http://www.uburst.com/uSignIn/demos.html>

The screenshot below shows the default view of the USignIn Board.

The system is easily modified to suit different needs, using the Perl scripting language.
